Hi ,

Hopefully you all had some time to relax over Christmas (scroll down to see how **our** festive season started!) There are certainly some big changes on the horizon for 2009, and possibly the biggest for us is the impending release of Sonar6 v3. We've given you a link to the new demo below and we'd love to get your feedback - just head to our blog and share your thoughts. And be sure to check next month's newsletter for even more exciting news about the new release!
